Examiner's Amendment

1. An Examiner's Amendment to the record appears below. Should the changes or additions be unacceptable to Applicant, an amendment may be filed as provided by 37 C.F.R. § 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the Issue Fee.

Title

2. Pursuant to M.P.E.P. §606.01, this title has respectfully been changed to read as follows:

-- SYSTEM AND METHOD FOR DISTRIBUTING MEDIA ASSETS TO USER DEVICES VIA A PORTAL SYNCHRONIZED BY SAID USER DEVICES --

Reason for allowance

3. The following is the Examiner's statement of Reason for Allowance. This statement is not intended to necessarily state all the reasons for allowance or all the details why claims are allowed, nor it specifically or impliedly state that all the reasons for allowance are set forth. The primary, or important reason for allowance of the claims is the inclusion of the limitation(s) in all the claims, which is not found in the prior art references.

In this case, the prior art of record teaches the claimed invention substantially as claimed, however fails to teach or suggest individually or in combination; the transfer of a reference (identifier) to new license media asset to the portal for access by a plurality of media players (as set forth on claim 1), and accessing media assets referenced in the virtual media assets library at the portal to media asset (located) across a plurality of media player devices (as set forth on claim 46), and synchronization to the library at the portal from the media player devices (as set forth at least on claims 35, 42-43). Claims are allowed because of the combination of other limitations and the limitation listed above.

4. Double patent analysis has been performed with respect to issued patents having common relationship of inventorship and/or ownership with respect to the above-allowed claims, none are found to warrant a double patenting rejection.

5. Any comments Applicants considers necessary must be submitted no later than the payment of the Issue Fee and to avoid processing delays, should preferable accompany the Issue Fees. Such

submission should be clearly labeled "Comments on Statement of Reasons for Allowance". In event of any post-allowance papers (e.g. IDS, 312 amendment, petition, etc.), Applicant is exhorted to mail papers to the Production Control branch in Publications or faxed to post-allowance papers correspondence branch at (703) 308-5864 to expedite issuing process or call PUB's Customer Service if any questions at (703) 305-8497.
